

Educate a Child

- Only 50% of school-age children go to school
- 85% of Haitian schools are private schools which charge fees for their services
- Parents can allocate up to 70% of their annual income to pay for their child's primary education
- The average Haitian adult has only received less than 3 years of formal education

Sponsor a Child!

You can provide a quality education for one of GoHaiti's children. Sponsor a child's education for **\$30** per month. Use the form below to submit your payment or use our website to automate a reoccurring payment via your credit card.
